COMPANY OVERVIEW

Bliss Dream Love Coaching LLC is a professional leadership development coaching and consulting service. We help corporations on ways to enlighten, enrich and elevate their personnel in order to increase their bottom line. We believe that a business truly reaches success when it strengthens itself from the inside out. Investing in the development and accurate deployment of staff shifts the organizational perception, productivity and profit. Our area of brilliance is cultivating leadership to effectively establish a workplace that does more than survive, but thrive daily.

TRAIN

Training leadership on the importance of creating a safe, comfortable and empowering workspace for everyone.

DEVELOP

Develop teams with synergy, exhilaration and enthusiasm within your organization that will drive ultimate success.

CERTIFY

Certify leadership on relevant areas of corporate investments needed to prevent employee retentions, profit decline and discrimination lawsuits.

CORPORATE PORTFOLIO

TESTIMONIALS

Dr. Karen Ratliff

Laverne is the epitome of a Project Manager. She develops staff while training them to reach their fullest potential. As her manager, Laverne exceeded my expectations as she designed impactful programs while overseeing multiple ministries. She is a master of strategy implementation and organizational structure. I was blown away by her legacy and succession plans that she created for New Life Covenant Church."

Dr. Karen Ratliff, Senior Executive Director, New Life Covenant Church

Jamila Trimuel

"Laverne is a project manager extraordinaire. If you need someone to effectively communicate the task at hand, implement with precision, and provide great ideas throughout the process....she is the woman for you! I am so blessed to have had Laverne to serve as the Project Manager for our parent initiatives. She was a truly great addition to our team."

Jamila Trimuel
Founder & CEO, Ladies of Virtue

Quentin Mumphery

Laverne is a highly competent leader, passionate visionary, and a skilled project manager. She has led our outreach team, and a valued member of the leadership team. She is spiritually sensitive, and possesses a level of humility and teach-ability. She is also highly skilled in team building, teaching content, training, and facilitation. She has a tremendous impact on upon any organization that she serves, and operates with excellence. Additionally, she is personable and has a strong set of soft skills that enable her to work effectively with a wide range of individuals and groups.

Pastor Quentin Mumphery,
Senior Pastor of New Hope Covenant Church

Erica Brownfield

"Laverne is the real deal. She is always on top of things. When it comes to project design, her creativity and execution is priceless. It's almost like she takes what you're thinking and put it into action. She isn't afraid of a challenge and always delivers well beyond my expectations. Laverne makes multi-tasking look easy as she is always on top of every project she manages. Her expertise and skill set is definitely one that will benefit your organization.

OUR FOUNDER

LAVERNE THOMAS, MBA, MA ED
MINISTRY & MARKETPLACE STRATEGIST

Laverne Thomas is epitomized by creative thinking, brilliant intuition, and insight. She is equipped with sound consulting principles and well-validated coaching techniques which produce amazing results. With over sixteen years of experience working as an urban ministry and marketplace specialist, Laverne has developed a keen ability to recognize the various problems organizations are faced with.

She leverages her education, experience and expertise to invest and build within urban communities to architect empowering generational legacy. Her desire is to invoke systematically successful opportunities for advancement within the inner city is what drives her to provide relevant service programs, design non traditional educational platforms and infuse cultural methodological strategies to service provider within and outside of disenfranchised areas. She believes that the synergy between what she knows and what they have will give urban families what they need.
